Sir,

SUBJECT:- PENSIONER - Sri K.Ramasami Iyer, Retired ~~Draftsman~~ Draughtsman, Kollegal Division - Re-employment in District Forest Office, Salem South Division - Proposal.

--

The draughtsman of the District Forest Office, Salem South retired in 1942. Attempts made since then to secure the services of a qualified candidate have not been fruitful. The post is held at present by a Forester who is unable to cope up with the work - vide copy of District Forest Officer's letter enclosed.

2. The Draftsman of the District Forest Officer, Kollegal Sri K.Ramaswami Iyer who attained superannuation on 10-7-50 is willing to be re-employed. Prior to his transfer to Kollegal he was serving in Salem South division. He is aged 56 years. The pay last drawn by him was Rs.67/- and his pension is Rs.23-15-0. Due to dearth of qualified candidates proposals have been submitted to Government in Chief Conservator's Ref.No.761/50-B2 dated 8-1-52 for according ~~to~~ general sanction for the re-employment of draughtsman in the Forest Department. In pursuance of these proposals I request that Government may be pleased to sanction the re-employment of Sri K.Ramaswami Iyer as draftsman of the District Forest Office, Salem South Division, subject to usual conditions, for a period of one year from the date of appointment or until a qualified candidate becomes available whichever is earlier.

--

I beg to submit the following proposal for the re-employment of a retired draftsman, Sri K.Ramasami Iyer, who retired from service in July 1950 on Superannuation from Draftsman's post in the District Forest Office, Kollegal.

2. The present position in this office is, explained below:-

Ever since the retirement of the permanent Draftsman, in the year 1942, this post was held by very many acting hands for short periods, by foresters of the Division and also for some months by 2 retired draftsmen and for some months with no one in that seat with the result the seat was handled neither efficiently nor continuously by any permanent man all these years. The position still remains the same, as it was not possible to secure a

qualified hand for this post. In this connection reference ... solicited to G.O.Mis.No.740 Finance Department dated 16-7-... communicated in Chief Conservator's No.5006/51-..., dated ...-7-..., wherein it was communicated that the Government are not prepared to sanction the continuance of the re-employment of the retired draftsman Sri M.G.Srinivasa Iyer. As per this order his services were terminated. Since that date, there has been frequent clamour in this seat by the employment of foresters and unqualified subordinates. It is needless for me to emphasise the need for an efficient draftsman in a District Forest Office, and especially so to this division where several panchayat areas have been added since 1948, which involves proposals for reservation in many cases. Added to this the estate forests have been abolished from 15-10-1951, and this has thrown further additional work on this seat. At present, the post is held by a forester whose knowledge is very limited and so it cannot be expected that he can cope up with this work. There are no qualified hands forthcoming for appointment. It is extremely difficult to get on with this work. It has also to be stated that the scale of pay admissible for this post is Rs.55--3--100 against Rs.70--...--80--3--120 allowed for a III grade draftsman in the Public Works Department. The qualifications prescribed for the post in the Forest Department are such that the scale of pay admissible to the post cannot be said to be in commensurate with the qualifications prescribed, as the qualified persons are attracted by better scales of pay in the several schemes and projects sanctioned by Government. In these circumstances, I submit that sanction may kindly be obtained from Government for the re-employment of a retired draftsman who has expressed his willingness to accept the post if his re-employment is sanctioned. Attention is invited to Government Memo.No.16... Public Services dated 10-7-1946, in which Government have directed that no person who has retired should be re-employed unless there are exceptional circumstances justifying such a step. I consider the case of draftsman in this office is covered by provisions of this G.O. I therefore request that sanction may kindly be obtained for re-employing the petitioner at least for a period of one year.

A copy of the petition submitted by retired draftsman is enclosed for perusal. He retired only in July 1950 and he was drawing Rs.67/-. He is drawing a pension of Rs.23-15-0. As he was continuously a draftsman in the Kollegal District Forest Office for 7 years, he can be considered as suitable for the post.

Salem Circle Conservator's endorsement thereon No.5006/51-1 dated 4-12-1951.

--

Forwarded and recommended.

2. In the circumstances reported by the District Forest Officer, I request that Government sanction may please be obtained for the re-employment of Sri K.Ramaswamy Iyer as Draughtsman in the District Forest Office, Salem South for one year as a special case.

3. The present age of Sri K.Ramaswamy Iyer is 56.
